## TABLE OF CONTENTS

STUDENT LIFE ●  
ACADEMICS ●  
PEOPLE ●  
ATHLETICS ●  
ORGANIZATIONS ●

In a year with so many unknowns, particularly about how group activities like sports, clubs, and large events will be handled, we do know two things: Student life and learning will continue, and it's our job to record what that looks like for the history books. Use these Content Creators to find easy ways to capture student stories, and use them to find worthy topics to pivot to when normal happenings radically change.
